

Dear Advertiser:

Every year, many local business owners advertise in our subdivision newsletter and we appreciate their support of our Civic Association. Golfview Manor Civic Association (GMCA) is entering into its 60th year – one of the longest-standing neighborhood associations in the state of Michigan. We are comprised of 512 homeowners residing in the coveted neighborhood just east of Inkster Road and north of Warren Avenue in Dearborn Heights.

We have recently become a non-profit, 501(c)(3) public charity organization. GMCA uses membership dues and fund raising money, along with advertising revenue to help cover the cost of printing our newsletters, offering various events throughout the year, as well as maintenance and expenses necessary to keep the association running throughout the year.

We will be delivering 6 issues of our newsletter in 2017. The issues will be delivered to households in the months of **January, March, May, July, September, and November**. We would like to invite you to participate in our advertising program and/or continue to advertise with us. Please review the attached contract.

If you would like to advertise in our newsletter, please fill out the appropriate areas stating your choice of when to advertise (full year or seasonal issues only), attach a business card that will appear in our advertisement pages as well as on our website, add a check made payable to our association, and **mail it to us by December 15, 2016**. This will make sure your ad will appear in the first issue of the New Year. If you would like to change your business card size advertisement by adding discounts or special notes, we can work with you to come up with something that will work for you. If you sign up during the calendar year, I will keep track of issues as they go from 2017 into 2018.

We also have a Welcome Package that is provided to new residents moving into our subdivision. If you would like to include a gift certificate or a discount coupon advertisement for your business in our package to encourage new residents to visit your establishment, please let me know and we will be glad to include it in our package.

Thank you for your time and attention. We look forward to featuring your business advertisement in our newsletter and on our website for the 2017 season.
